APPLICATIONS CLOSE: Monday 4th December 2023 @ 11:00pm AEST

ELIGIBILITY: The Lachlan Hughes Foundation Program applicants must be -

- An Australian citizen
- Aged 25 or over on or before 31st December 2023
- Currently working or involved in the rural industry
- Passionate about regenerative agriculture and its practices
- Able to commit to the program modules and project requirements.

APPLICATION: This is a 2-part application and must include -

- **PART 1.** Complete Application Form online with personal details, and referee contact details.
- **PART 2.** Your Video presentation as outlined below.

PART 1. APPLICATION FORM

- Complete the Application Form Here: <https://form.jotform.com/232498638002862>

PART 2. VIDEO PRESENTATION

- An introduction of yourself including:
 - Industry employment and work experience (past 5 years).
 - Involvement in the agriculture industry and the wider community that demonstrates your interest and passion for the industry and your community.
 - Personal and professional development you have undertaken relevant to the industry.
- Your reasons for applying for the Lachlan Hughes Foundation Program.
- An outline of the Regenerative Agriculture Project that you would like to undertake.
- How the Program will help you contribute to regenerative agriculture.
- Your expectations and outcomes of being involved in the program (personal and professional).
- Why you should be considered a suitable participant.

TIP: Introduction of yourself is 2-3 minutes max. Full video presentation to be a maximum of 10 minutes. Any longer will not be considered in the application. A video recorded on your phone is acceptable.

TIP: If you don't have a site for your project let us know before applying, so we can assist you.

TO SUBMIT YOUR APPLICATION:

1. Submit your Application Part 1 online <https://form.jotform.com/232498638002862>
2. Upload your Video presentation to this Dropbox <https://www.dropbox.com/request/GlmzvRPHfch5CWFNr4D7>

***TIP:** When uploading your files ensure you have a good quality internet connection to avoid timeouts.*
